Udderly Crazy
3*M 7-04 EX90 (EEEV)

SIRE: Razz combines the best of both old and newer purebred Oberhasli genetics.

ss: Nick is the sire of SGCH Tonka-Tails Peach Melba 8*M, the 2005 National Champion & Reserve Best Udder. He also sired the 1st place Senior-Get-of-Sire at the 2001 National Show.

ssd: Nik Nak was twice a Top Ten Doe with lactations of 2-00 302 2910 109 87 and 2-11 305 3320 126 103. She was also the dam of Spotlight Sale consignee *B F.D.F.- Pleasant-Fields Sorek.

sd: Lily has been BUIS as well as BIS during her show career.

sdd: Katrina was the dam of the 2003 Reserve National Champion GCH New-Era David's Nadine 9*M. Katrina also has a BUIS to her credit.

DAM: Roulette shares the same high L.A. score as several National Champions of the past, including her herd-mate who was crowned the 2005 National Champion and Reserve Best Udder. She passes on her great genetics to her offspring, one of which is Udderly Crazy Sunset Strip "Sunny" 4*M - 2-04 EX90 (VEEE). The two of them were first place Dam and Daughter at the 2005 National Show.

ds: Parson's genetics are still incredibly sought after with almost no semen available. He was the sire of three time National Champion GCH Tonka-Tails Parson's Divinity 2*M and a National Premier Sire in 1994.

dss: Felix's offspring were powerful representations of the breed in the 1990's. He has the distinction of being the sire of the first Oberhasli (GCH Seneca Valley's Alleluia 3*M) who linear appraised as 'Excellent'! Another daughter was GCH Body-Shops F Katie's Taco 2*M who was the 1991 and 1992 Reserve National Champion & Reserve Best Udder.

dsd: Cherry Pie is the only doe of any breed that has ever won the National Championship five times!

dd: Angel attended four National Shows. She was 1st in her class in 1995 & 1999, 2nd in 1998 & 3rd in 1996. She also had the 1st place Produce of Dam in 2002, 2003 & 2005. Five of her daughters placed no lower than 4th at three different Nationals.

National Show Placing Through the Years:

Udderly Crazy Dairy Goats have had exciting and fortunate years at National Shows, including Colorado, Iowa and Washington.

The herd placed extremely well with most animals placing sixth or above in 2005.
